

Information about personal expenses allowance by the municipality of Urk

Anyone who lives on the Rossini and is registered receives an allowance for personal items. This amount is € 55.00 for each person per month. This also applies to children. If you go to work however, we will stop the allowance the following month.

How does it work?

We paid the allowance in cash in April. We will start working with prepaid cards as soon as possible. With these are cards you withdraw your allowance from an atm and where we deposit your allowance every month.

If you have a bank account, we can also deposit the amount directly into your bank account. If you have a bank account it is important that we receive a copy or photo of your bank card.

Until all this is arranged, you will receive cash from us.

When is the payment

We are now busy organizing everything. It's also new to us, but we try to get it done as soon as possible.

We pay the amount to you on the 1st day of the month of June. In order to make the payments we need to receive lists with your name, date of birth and your cabin number.

If you have arrived on the boat during the month, it will take a few days before we have all your details. This will also mean that you will receive your money later. We will try to arrange it as soon as possible. You will be notified when the card or money is available for you. You will receive the money from the day you arrived. So if you arrive on April 7th , the amount will be $\text{€ } 55 : 30 \text{ days} = \text{€ } 1.83 \times 22 \text{ days} = \text{€ } 41$.
